## Try-out Coaching day with Dr. Silke Oehrlein-Karpi and Dr. Angela Velthuis

**WEDNESDAY, FEBRUARY 26, 9:30 a.m. – 1:00 p.m.**

Coaching is a form of consulting that focuses on results and solutions, interactive and tailored to individual needs. In contrast to a mentor, the coach is not in the same profession as you, but he / she is an expert, trained to support you in pursuing your goals and verify your needs.

*All physicists are welcome to book a 45-minute slot to get a first impression of a Coaching. Please register at [prisma@uni-mainz.de](mailto:prisma@uni-mainz.de) or [lena.milker@uni-mainz.de](mailto:lena.milker@uni-mainz.de) until February 17, 2020. Please be aware, that the number of participants is limited to six.*
