PROGRAMME WINTER 2023

If I have seen
further it is by
standing on
the shoulders
of giants.

Call for applications - IJCP Career Support for Postdocs

This program is designed for young researchers in Physics, Computer Science and Mathematics to help navigate a successful scientific career adapting to the individual needs as well as the time constraints of young scientists. The goal of the program is to provide role-models for academic careers in science – this is of major importance for women and non-binary people who are still under-represented in the more advanced career stages. Please submit your application to prisma@uni-mainz.de until January 10, 2024.
